The 2022 Travel Guide to Florida is a detailed guide that provides
travelers to the Sunshine State with all of the information they

need to enrich and enjoy their trip. *Art and Public History: Approaches, Opportunities, and Challenges* provides public history practitioners and academics with useful guidance on how art can be integrated into public history initiatives, through critical discussion of tools, strategies, and technologies that contribute to collaboration and engagement across a variety of platforms. Written by a local and true insider, *Insiders' Guide to Florida Keys & Key West* is the essential source for in-depth travel and relocation information. Each guide is packed with useful tips on places to stay, restaurants, events, attractions, fun things to do with the kids, nightlife, recreation, shopping, local history, and much more--as well as information on real estate, education, health care, and more. The new edition features: Comprehensive listings of restaurants, attractions, activities, nightlife, and accommodations Countless details on shopping, arts & entertainment, and children's activities Advice on how to live and thrive in the area—from recreation to relocation Since 1906, *Palm Beach Life* has been the premier showcase of island living at its finest — fashion, interiors, landscapes, personality profiles, society news and much more. *Zen and the Art of Local History* is an engaging, interactive conversation that conveys the exciting nature of local history. Divided into six major themes the book covers the scope and breadth of local history: • Being a Local Historian • Topics and Sources • Staying Relevant • Getting it Right • Writing History • History Organizations Each chapter features one of Carol Kammen's memorable editorials from *History News*. Her editorial is a "call." Each is followed by a response from one of more than five dozen prominent players in state and local history. These Respondents include local and public historians, archivists, volunteers, and history professionals across the kaleidoscopic spectrum of local history. Among this group are Katherine Kane, Robert "Bob" Richmond, Charlie Bryan, and Cinnamon Catlin-Legutko. The result is a series of dialogues on important topics in the field of local history. This

interactivity of these conversations makes *Zen and the Art of Local History* a unique offering in the public history field. Folk art is as varied as it is indicative of person and place, informed by innovation and grounded in cultural context. The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays.

- * 300 essays on folk artists from all over the United States, organized alphabetically within geographical region
- * Introductory essays for each of the five regional sections
- * Numerous photographs of the works of many artists profiled
- * A glossary of over 100 terms, such as "quirts" and "whirlygigs"
- * A list of museums and galleries by region and a list of artists by media
- * An extensive bibliography including works from the fields of folklore, art history, and art criticism, as well as catalogs from major museum and gallery exhibitions

The 2021 *Travel Guide to Florida* is a detailed guide that provides travelers to the Sunshine State with all of the information they need to enrich and enjoy their trip. From Pensacola and the Panhandle, to Miami beaches and mingling with Mickey, *Moon Florida* reveals the best of the Sunshine State. Inside you'll find: Flexible, strategic itineraries, from the two-week best of Florida to a quick Gulf Coast getaway, designed for history buffs, outdoor adventurers, beach bums, and more Highlights and unique experiences: Relax on miles of white-sand beaches and watch the sunrise over the sparkling Atlantic, or indulge in hours of roller-coaster fun at Orlando's famous theme parks. Make your way through "Alligator Alley," or go canoeing through the lush Everglades. Snorkel in freshwater springs or take a surfing lesson from a pro wave-catcher. Live it up in Miami's stylish South Beach, wander the free-wheeling and colorful Key West, or go dancing in Little Havana Local insight from born-and-raised Floridian Jason Ferguson on when to go, where to stay, and how to get around Full-color photos and detailed maps throughout Focused coverage of Miami, South Florida, the Florida Keys, the South Gulf Coast, the Tampa Bay

Area, Disney World and Orlando, Central Florida, the North Atlantic Coast, and Northern Florida and the Panhandle Practical information including background on Florida's landscape, climate, wildlife, and culture With Moon Florida's local insight and expert advice on the best things to do and see, you can plan your trip your way. Exploring more of the South? Check out Moon Georgia, Moon Coastal Carolinas, or Moon Tennessee. Messages of Effusion is a pick-me-up, you can do it book full of inspiration. In the world of art there seems to be an "Artist Doldrums" where all the wind dissipates from their sails. The Perfect Choice: Lonely Planet Best of Florida, our easy-to-use guide, filled with inspiring and colorful photos, focuses on Florida's most popular attractions for those looking for the best of the best. Looking for a comprehensive guide that recommends both popular and offbeat experiences, and extensively covers all the state has to offer? Check out Lonely Planet Florida guide.

Authors: Written and researched by Lonely Planet. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, eBooks, and more.

"Curiosity and intelligence run deep in Ronald W. Kenyon's writing. He's a tireless world traveler with a real knack for looking at wherever he is and finding reasons to be fascinated by it." Frank Cerabino, columnist, The Palm Beach Post

The cast of characters in these seventeen stories of fascinating Floridians includes the living and the dead, the famous and the infamous—murderers, imposters, royal pretenders, a supermarket cashier, a housekeeper, a homeless former crack addict rescued by an anonymous benefactor, the woman who was elected chief of the Seminoles, a Jordanian Cordon Bleu chef, a chess champion who founded a city and the

first two Jewish senators. Even John Lennon makes an appearance. A road trip across the state results in the shocking revelation that, in the 1920's, Seminole children were prohibited from attending either "white" or "colored" schools, but ends with an unexpected surprise: the Seminole Tribe of Florida, grown wealthy by the profits of its casinos, now owns the worldwide Hard Rock Café chain. Some of the essays involved extensive research, often sparked by an apparently trivial observation; thus the story of the phony count and the fake countess begins when I noticed a sign with an inappropriate ampersand and leaps around the world to France, the former Belgian Congo, Yemen, the Emirate of Sharjah and Tangier. The people in this book are Floridians, all, and some were even born in the Sunshine State. Yet most are transplants like me, native-born Americans migrating from elsewhere in the United States or immigrants fleeing Hitler's Germany, Castro's Cuba and the poverty of Guatemala. Each of them—each of us—possesses Real Stories to tell, and in this book the reader will discover some of them. Readers will know Bob Ross (1942-1995) as the gentle, afro'd painter of happy trees on PBS. And while the Florida-born artist is reviled or ignored by the elite art world and scholarly art educators, he continues to be embraced around the globe as a healer and painter, even decades after his death. In *Happy Clouds, Happy Trees*, the authors thoughtfully explore how the Bob Ross phenomenon grew into a juggernaut. Although his sincerity in embracing democracy, gift economies, conservation, and self-help may have left him previously denigrated as a subject of rigorous scholarship, this book uses contemporary art theory to explore the sophistication of Bob Ross's vision as an artist. It traces the ways in which his many fans have worshiped, emulated, and parodied him and his work. His technique allowed him to paint over 35,000 paintings in his lifetime, mostly of mountains and trees in landscapes heavily influenced by his time in the Air Force and stationed in Alaska. The authors address

issues of amateur art, sentimentality, imitation, boredom, seduction, and democratic practices in the art world. They fully examine Ross as a painter, teacher, healer, media star, performer, magician, and networker. In-depth comparisons are made to Andy Warhol and Thomas Kinkadee, and mention is made of his life in relation to Joseph Beuys, Elvis Presley, St. Francis of Assisi, Carl Rogers, and many other creative personalities. In the end, *Happy Clouds, Happy Trees* presents Ross as a gift giver, someone who freely teaches the act of painting to anyone who believes in Ross's vision that "this is your world." From sandy beaches and amusement parks to wild natural beauty, see what keeps visitors coming back to the Sunshine State with *Moon South Florida & the Keys Road Trip*. Inside you'll find: *Maps and Driving Tools*: More than 50 easy-to-use maps keep you oriented on and off the highway, along with site-to-site mileage, driving times, detailed directions for the entire route, and full-color photos throughout *Eat, Sleep, Stop and Explore*: With lists of the best beaches, views, and more, you can explore the lush wetlands of the Everglades, relax on the beautiful beaches of the Keys, let your imagination run wild at Disney World, or soak up the electric vibe of Miami *Flexible Itineraries*: Drive the entire two-week road trip or follow strategic routes designed for outdoor adventurers, history buffs, and more, as well as suggestions for spending time in Miami, the Everglades, the Keys, the Atlantic Coast, Orlando, Daytona, the Space Coast, Walt Disney World, Sarasota, and Naples *Local Expertise*: Florida native Jason Ferguson takes you on a tour of his beloved home state *Planning Your Trip*: Know when and where to get gas and how to avoid traffic, plus tips for driving in different road and weather conditions and suggestions for LGBTQ travelers, seniors, and road-trippers with kids *With Moon South Florida & the Keys Road Trip's* practical tips, flexible itineraries, and local know-how, you're ready to fill up the tank and hit the road. Looking to explore more of America on wheels? Try *Moon Nashville to New Orleans Road Trip*! Doing more than

driving through? Check out Moon Sarasota & Naples or Moon Florida. Through the author's experiences, investigations and discussions with artists, art therapists and inmates from around the world, *Art and Art Therapy with the Imprisoned: Re-Creating Identity* comprehensively explores the efficacy, methods, and outcomes of art and art therapy within correctional settings. The text begins with a theoretical and historical overview of art in prisons as a precursor to exploring the benefits of art therapy, followed by a deeper exploration of art therapy as a primary focus for wellness and mental health inside penitentiaries. Relying on several theoretical perspectives, results of empirical research studies, and case vignettes and illustrations gleaned from over 25 years of clinical and programmatic experience, this book argues why art therapy is so beneficial within prisons. This comprehensive guide is essential reading for professionals in the field, as well as students of sociology, criminology, art theory, art therapy, and psychology who wish to explore the benefits of art therapy with inmate populations.

Everglades National Park's mangrove ecosystem, extending over 230,000 acres of south Florida, is the most expansive in the western hemisphere and the largest continuous system of mangroves in the world. Most of this mangrove area is remote, accessible only by boat, complex and difficult to navigate. In *The Everglades: Stories of Grit and Spirit from the Mangrove Wilderness* we hear 21 stories from people who have ventured into this wilderness—for scientific work, artistic work, search-and-rescue missions, for personal renewal, or for the pure adventure of it. They tell stories of manatee rescue, shark encounters, storms and strandings, stories of environmental value and threat, wild beauty, personal enchantment and spirit. Together these stories reveal a world beyond the reach of most travelers. They also offer support and offer enticement to the intrepid few who may venture "out there" and return with stories of their own. Historical inquiry forms the foundation for much research undertaken in art education. While

traversing paths of historical investigation in this field we may discover undocumented moments and overlooked or hidden individuals, as well as encounter challenging ideas in need of exploration and critique. In doing so, history is approached from multiple and, at times, vitally diverse perspectives. Our hope is that the conversations generated through this text will continue to strengthen and encourage more interest in histories of art education, but also more sophisticated and innovative approaches to historical research in this field. The overarching objective of the text is to recognize the historical role that many overlooked individuals—particularly African Americans and women—have played in the field of art education, and acknowledge the importance of history and historical research in this digital age. This text opens up possibilities of faculty collaborations across programs interested in history and historical research on a local, national, and international level. By assembling the work of various scholars from across the United States, this text is intended to elicit rich conversations about history that would be otherwise beyond what is provided in general art education textbooks. A revised and updated edition of the best-selling resource for art teachers This time-tested book is written for teachers who need accurate and updated information about the world of art, artists, and art movements, including the arts of Africa, Asia, Native America and other diverse cultures. The book is filled with tools, resources, and ideas for creating art in multiple media. Written by an experienced artist and art instructor, the book is filled with vital facts, data, readings, and other references, Each of the book's lists has been updated and the includes some 100 new lists Contains new information on contemporary artists, artwork, art movements, museum holdings, art websites, and more Offers ideas for dynamic art projects and lessons Diverse in its content, the book covers topics such as architecture, drawing, painting, graphic arts, photography, digital arts, and much more. Outsider art, traditionally the work of

psychiatric patients, offenders and minority groups, and art therapy have shared histories of art created in psychiatric care. As the two fields grow, this book reveals the current issues faced by both disciplines and traces their shared histories to help them build clearer and more coherent identities. More often than not, the history of art therapy has been tied to psychological and psychiatric roots, which has led to problems in defining the field and forced boundaries between what is considered 'art' and what is considered 'art therapy'. Similarly, the name and identity of outsider art is constantly debated. By viewing art therapy and outsider art through their shared histories, this book helps to alleviate the challenges and issues of definition faced by the fields today.

Mit dem Lonely Planet Florida auf eigene Faust durch den Sonnenstaat der USA! Etliche Monate Recherche stecken im Kultreiseführer für Individualreisende. Auf mehr als 500 Seiten geben die Autoren sachkundige Hintergrundinfos zum Reiseland, liefern Tipps und Infos für die Planung der Reise, beschreiben alle interessanten Sehenswürdigkeiten mit aktuellen Öffnungszeiten und Preisen und präsentieren ihre persönlichen Entdeckungen und Tipps. Auch Globetrotter, die abseits der ausgetretenen Touristenpfade unterwegs sein möchten, kommen auf ihre Kosten. Wie wäre es beispielsweise mit Zigarren? Die Humidore und die Geschichte von Tampas Ybor City warten. In der früheren Welt-Zigarrenstadt lernt man, seine eigene zu drehen. Oder lieber mit Seekühen schwimmen? Kings Bay in Crystal River ist vielleicht der beste Platz, um mit diesen wunderbaren Säugetieren auf Tuchfühlung zu gehen. Darf es ein bisschen intellektuell sein? Miami hat eine Weltklasse-Galerieszene, die ebenso selbstbewusst wie unterhaltsam ist. Und wo unterwegs aktiv werden und essen? Für jeden größeren Ort gibt es eine Auswahl an Unterkünften und Restaurants für jeden Geschmack und Geldbeutel. Abgerundet wird der Guide durch Übersichts- und Detailkarten, ein Farbkapitel mit 15 Top-Erlebnissen, farbiges Themen-Kapitel Art Déco in Miami, Reiserouten,

Hintergrundthemen wie Mit Kindern reisen und Das Ding aus dem Sumpf sowie Glossar und - damit Sie gut durchs Land kommen - einen Sprachführer. Der Lonely-Planet-Reiseführer Florida ist ehrlich, praktisch, witzig geschrieben und liefert inspirierende Eindrücke und Erfahrungen. Explore Brevard County with this updated edition of the definitive guidebook to the area. Visitors and residents alike will enjoy exploring Brevard County, a recreational paradise where the high-tech space program exists alongside amazing natural areas like the Indian River Lagoon estuary—the most diverse marine estuary in the U.S. Comprehensive listings make this your most informative and entertaining vacation-planning tool. Monroe presents a collection of paintings by Al Black, an artist who was part of the Highwaymen, a group of self-trained African American painters who sold works out of the trunks of their cars during the 1960s and 70s. In the introduction, Monroe tells the unique story of how Black went to prison for fraud and drug possession but continued to paint landscapes and murals there. 500 ways to pass the Critical Analysis and Reasoning Skills section of the new MCAT! Planet Discover Florida, our easy-to-use guide, filled with inspiring and colorful photos, focuses on Florida's most popular attractions for those looking for the best of the best. Looking for a comprehensive guide that recommends both popular and offbeat experiences, and extensively covers all the state has to offer? Check out Lonely Planet Florida. Authors: Written and researched by Lonely Planet. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveler since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travelers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, eBooks, and more. Explorers and pirates, hurricanes and shipwrecks, movie stars and presidents—a journey through Florida's history and a guide to the places it happened. More than any other state (except Nevada), Florida is a state of transplants—where a quarter of the population comes from outside the US, and a third comes from other states. Thanks to its famous beaches and tourist attractions, it's often thought of as more a destination than a home...even for those who live there. In spite of this—or perhaps because of it—the Sunshine State has one of the richest histories in the nation. Decades before the Pilgrims, the Spanish celebrated Thanksgiving in Florida. Centuries before the first St. Patrick's Day Parade in New York, the holiday was celebrated in St. Augustine, where urban renewal was underway when Jamestown settlers arrived. In this lively guide, James Clark offers a lifetime of places to explore and facts to fascinate, tracing the state's long and colorful history from Pensacola to the Florida Keys. You'll find photos, illustrations, and detailed lists of 10 forts, 10 wars, 5 flags that flew over Florida, 40 historic landmarks, 50 museums, and much more. An in-depth look at how democratic values have widened the

American arts scene, even as it remains elite and cosmopolitan. Two centuries ago, wealthy entrepreneurs founded the American cathedrals of culture—museums, theater companies, and symphony orchestras—to mirror European art. But today’s American arts scene has widened to embrace multitudes: photography, design, comics, graffiti, jazz, and many other forms of folk, vernacular, and popular culture. What led to this dramatic expansion? In *Entitled*, Jennifer Lena shows how organizational transformations in the American art world—amid a shifting political, economic, technological, and social landscape—made such change possible. By chronicling the development of American art from its earliest days to the present, Lena demonstrates that while the American arts may be more open, they are still unequal. She examines key historical moments, such as the creation of the Museum of Primitive Art and the funneling of federal and state subsidies during the New Deal to support the production and display of culture. Charting the efforts to define American genres, styles, creators, and audiences, Lena looks at the ways democratic values helped legitimate folk, vernacular, and commercial art, which was viewed as nonelite. Yet, even as art lovers have acquired an appreciation for more diverse culture, they carefully select and curate works that reflect their cosmopolitan, elite, and moral tastes. Is a politically and socially courageous eclectic collection of short stories and poems of contemporary predicaments and issues that often escape mainstream sensibility. Each poem is a compelling short story, versified in a style of poetry I have tagged as, "Versery Rhymes" which is contempo lyrical verse with a bit of urban vernacular dialogue. A range of poignant topics in this collection pertain to credit card entrapment, drug trafficking, lesbian lovers, prostitution, factory farming, death row, psychotic episodes, cigarette smoking, smoking weed, the Prince of the air, the blues, ghosts, etc. the list goes on. A bit less poignant topics are of teen age love affairs, boys and frogs, the rain, Barbie dolls,

fashionistas, hot wheels, puppy's, parakeets, baptism, death, forgetfulness... and much much more...this just names a few. As Langston Hughes penned: "Poetry is the human soul entire, Squeezed like a lemon or a lime, Drop by drop into atomic words". The reality of truth in atomic words that are direct commentary on issues is what this work is about. Much has changed in the world of self-taught art since the millennium. Many of the recognized "masters" have died and new artists have emerged. Many galleries have closed but few new ones have opened, as artists and dealers increasingly sell through websites and social media. The growth and popularity of auction houses have altered the relationship between artists and collectors. In its third edition, this book provides updated information on artists, galleries, museums, auctions, organizations and publications for both experienced and aspiring collectors of self-taught, outsider and folk art. Gallery and museum entries are organized geographically and alphabetically by state and city. The Highwaymen introduces a group of young black artists who painted their way out of the despair awaiting them in the citrus groves and packing houses of 1950s Florida. As their story recaptures the imagination of Floridians and their paintings fetch ever-escalating prices, the legacy of their freshly conceived landscapes exerts a new and powerful influence on the popular conception of the Sunshine State. While the value of Highwaymen paintings has soared in recent years, until now no authoritative account of the lives and work of these black Florida artists has existed. Emerging in the late 1950s, the Highwaymen created idyllic, quickly realized images of the Florida dream and peddled some 100,000 of them from the trunks of their cars. Lonely Planet: The world's leading travel guide publisher Lonely Planet Florida is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Over the past four decades, we've printed over 145 million guidebooks and phrasebooks for 120 languages, and grown a dedicated, passionate global community of travellers. You'll also find our content online, and in mobile apps, video, 14

languages, 12 international magazines, armchair and lifestyle books, ebooks, and more, enabling you to explore every day. Lonely Planet enables the curious to experience the world fully and to truly get to the heart of the places they find themselves, near or far from home. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, 2015 and 2016 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

A visual guide to approximately 20 Florida art colonies and districts. The book will discuss in detail a variety of towns in Florida renowned as "Art Colonies," together with several "Arts Districts" in both small towns and larger cities that have been designated by the local government and/or by developers as neighborhoods set aside to foster the arts. Many of the communities sponsor annual art festivals or shows that have been held for more than 40 years. The book features color photographs that capture the variety of art forms that are uniquely Florida and covers special aspects of art in Florida such as the great number of Florida artists, the influence of arts projects and social realism of the New Deal, mural painting in Florida, the "Highwaymen," and the extremely rich 19th and 20th century history of Florida artists. Colonies and districts include: Bradenton Village of the Arts, Eau Gallie Arts District, St Petersburg Warehouse Arts District and Central Arts District, Tampa and Tallahassee.

Pettersson demonstrates the implications and applications of the theory through a series of detailed studies of literary works, taking care to show that his theory is compatible with a broad variety of perspectives. Combining an intimate knowledge of modern literary theory and the aesthetics of literature with innovative applications of linguistics and cognitive psychology to the literary work, he provides a thorough treatment of

fundamental problems in the area, including the concept of a text or work, the concept of form, and the distinctiveness of the literary use of language. Reality Poems (2016) is the revised edition of Isabella George's first e-book, Reality Poems of the Modern Day (2014). The title has been shortened, but content increased. In this revision, the poems are presented as more intense in-depth... and reveal an enriched ever-evolving awareness and determination to address issues more explicitly, without trepidation or regard to criticism. Reality Poems is a body of work that is now a collection of 70 short stories and poems of controversial issues relevant to modern culture. Each poem is a short story that creates mood and movement in a rhythmic lyrical contempo cadence aptly called Versery Rhymes™, some poems are written in an urban vernacular. Many stories in the collection of political and social issues are not usually topics of discourse in traditional poetry. These stories in atomic words are a clear and concise commentary on controversial issues not usually considered to be poetic. A range of poignant topics in the collection includes: Credit card entrapment, drug trafficking, interracial lovers, 9/11 conspiracy and other theories, the horrors of factory farming, death row, psychotic episodes, cigarette smoking, Lucifer Prince of the Air, strippers, the blues, ghosts, frankenfood, baptism, the death of one's mother, civil rights struggle of the '60's, sea level rise Miami and the Everglades, smoking weed, imagining the New World Order, aging cougars. Less poignant topics include: Teenage love crushes, forgetfulness, boys and their frogs, Barbie dolls, fashionistas, Hot Wheels, puppies, parakeets, heartbreak, Kool-Aid, the Brazilian Samba, gremlins, island living and many other topics of life. Mit den Baedeker E-Books Gewicht im Reisegepäck sparen und viele praktische Zusatzfunktionen nutzen! - Einfaches Navigieren im Text durch Links - Offline-Karten (ohne Roaming) - Karten und Grafiken mit einem Klick downloaden, ausdrucken, mitnehmen oder für später speichern - Weblinks führen direkt zu den

Websites der Tipps Tipp: Erstellen Sie Ihren persönlichen Reiseplan durch Lesezeichen und Notizen... und durchsuchen Sie das E-Book mit der praktischen Volltextsuche! E-Book basiert auf: 13. Auflage 2018 Stressgeplagte Europäer kommen an Floridas Küsten voll auf ihre Kosten, die Strände des »Sunshine State« gehören zu den schönsten der Welt - und sie bleiben auch in Zukunft verlässliche Glücksgaranten, rund 1300 km Sandstrand gibt es. Oder vielmehr 1300 km Stresskiller. Wo der Blick ungestört bis zum Horizont wandert, sich die Füße in den weißen Sand graben, Delfine in den Wellen spielen und die Sonne feuerrot im Meer versinkt. Mit dem neuen Baedeker Florida erleben Sie lokales Beach Life abseits der überlaufenen Hotspots! Wachstum, immer mehr Wachstum: Unterwegs in Florida spürt man die enorme Energie, die im »Sunshine State« steckt. Umso bemerkenswerter sind die Künstlerkolonien, denen man landauf, landab begegnet. Sie wirken wie Überbleibsel einer langsameren Zeit - und sind doch typisch für Florida. Durch den Baedeker Florida lernen Sie Persönlichkeiten wie Leoma Lovegrove kennen: Sie ist mindestens so dynamisch und crazy wie der »Sunshine State« selbst und ihre Lovegrove Gallery ein sympathisch-schrilles Biotop. Nicht unbedingt augenscheinliche, vielmehr magische Momente stehen beim neuen Baedeker im Fokus - und die erste Begegnung mit Floridas Seekühen ist ein solcher Moment. Langsam legt sich die Nervosität, man lässt sich treiben und lauscht, wie die bis zu 600 kg schweren Kolosse schnaufen, beobachtet sie beim Mampfen und wie sie ganz einfach das Leben genießen - ein Schauspiel, so friedlich und harmonisch, dass es einem ein Lächeln ins Gesicht zaubert. Using iconic images and many not so well-known illustrations, Nostalgic Florida is a pictorial history of all that has come to represent Florida in print media. Chapters laden with vintage images explore the myths and reality of Florida as a tropical Eden. Sections on romantic Florida, Florida's bathing beauties, funny Florida, and working Florida culminates with a chapter on the kitsch that has come to

represent the Sunshine State. This Companion authoritatively points to the main areas of enquiry within the subject of African American art history. The first section examines how African American art has been constructed over the course of a century of published scholarship. The second section studies how African American art is and has been taught and researched in academia. The third part focuses on how African American art has been reflected in art galleries and museums. The final section opens up understandings of what we mean when we speak of African American art. This book will be of interest to graduate students, researchers, and professors and may be used in American art, African American art, visual culture, and culture classes.
