The Forests of Avalon Oct 27 2019 The Forest House tells of an era of upheaval and change. The Roman grip on their empire was slackening; the Druidic Order - far stronger than the tiny Christian sect - was itself in turmoil. Caught in the centre of the conflict is a young British girl of druidic family, chosen to be a priestess, and a Roman tribune, ambitious for power but - as the son of a British mother - torn between two cultures. This is a dramatic, illuminating tale of rebellion and religion.

Unsoiled Aug 06 2020 Unsoiled, Book 2 of the Smothered Rose Trilogy "Look, Poppy! It's Bella of the Cinders. She certainly doesn't look like 'The Beauty' now, does she? Not with that rat's nest of hair or those filthy chicken arms. Maybe we should start calling her 'Cinderbella.'" Nettle started laughing as if she had said the cleverest thing in the world, and I heard Poppy weakly join in. I didn't look at them; I just continued cleaning the ashes and soot, aware that it was on my face and hands and clothes, aware that the picture I made was a far cry from the beauty my father had always praised. Why should I have cared whether or not my hands were soiled with soot? What need did I have for beauty anymore? _____ Escape from Oppression . . . Elle's life is turned upside down when tragedy strikes. Her stepmother and stepsisters treat her as Cinderella, forcing her to do manual labor to the point of exhaustion. It would be easy enough to accept Thorny's overtures, yet the inequality that exists between them seems an unsurpassable gulf. But when Thorny suggests they go to the nearby kingdom of Airland in quest of a mythical sword whose bearer will be made queen, Elle sees her opportunity to start a new life, freed from the oppression of her stepmother. The thought that she might have to face such challenges as hungry dwarves, land pirates, and angry chimeras never crosses her mind. Marked by the Lion: Black Ops Bodyguard Shifters Book 2 Apr 25 2022 D'Kota lost it allâ€ until Yani fell into his arms. I gave everything I had. From the moment I signed my name on that piece of paper, I knew I'd die serving my countryâ€ and my fellow shifters. My father, my grandfather, and so on through my documented ancestry, the first male son always upheld the honor of the family by serving. Except, I came home in pieces. As I lay there, a broken male, my family said I should have died. Exiled from the Pride. Years of physical therapy gave me the strength to walk again, but it was too late. I have nothing left to live for. Then Yani barged through the door, tripping into my arms. Something's changing inside of me. She consumes my every thought. Before I struggled to find a moment of peace, now I crave the craziness that comes with her. Yani is my fated mate. The council forbids shifters to mate with humans. Plus, there's a secret organization dead set on destroying our mate bond. No one will stop me from claiming my fated mate, and I'll eliminate anyone who threatens us. Marked by the Lion is the second in a series of steamy, black ops bodyguard shifter romances. If you love daring adventures, bearded heroes, and fated mates, then you won't want to miss out on thisâ€ Read Marked by the Lion today!

The Guardians Trilogy Dec 22 2021 The conflict between the Aesir and the powers of Hel, led by Loki, resulted in the prophesied battle of Ragnarök, and the death of the gods. The realms were destroyed, and with no one left to stop the surviving demons and giants from escaping what was once the realm of the gods, they crossed the Bifrost Bridge into Midgard. The Vanir managed to save two humans before Midgard was flooded, and kept them safe until the floodwaters receded. A new tribe was created, led by the Goddess Danu. This new tribe was called the Tuatha De Danann, and their mission was to return the humans to Midgard, and keep a watchful eye on them until their numbers increased. However, the years quickly turned into centuries, and they lost their ability to feel anything but disdain. Their arrogance and vanity

corrupted them, and they turned their backs on the humans... unaware that the demons and giants were encroaching upon their land. Foreseeing the end of the Tuatha De Danann at the hands of the Milesians (whose ancestors were the humans they had saved), Danu decided that the only way to ensure a future for her people while saving the humans from the encroaching demons and giants, was to insert events into the timeline that wouldn't interfere with what 'must be'... and so the story begins: Darkness (Book 1) Fane has made it his life's mission to destroy the creature who wiped out his entire tribe and damned him to an endless life of roaming and insatiable hunger, but when he finally catches up with him in London, he discovers that the creature has a weakness... a daughter. Whether he likes it or not, his mission is about to change. Sarah has no idea what a normal life is, but she wants one. She wants the freedom to explore the world outside the imposing mansion that is her prison. She wants to be loved, to feel passion, but her father's menacing shadow envelopes her, and it's all people see when they look at her. Except for Fane. He sees her. He wants her... but to what end? The Lingering Shadows (Book 2) When Divona, the Goddess of Fertility, is sent into the future in order to retrieve King Nuada's sword, she is told by Danu that she is following her destiny. However, finding the sword isn't as easy as she'd thought... and when she finds herself falling for Sef, the handsome and seductive man who has agreed to help her find the sword, she begins to wonder if her destiny is actually the sword... or him. Sef is preparing to follow in his parents' footsteps by closing the door on the past and taking a step into a new beginning, but before the first step is even taken, Divona suddenly appears in his bedchamber. The fiery-haired goddess has been sent to retrieve the sword his father was tasked to guard by the Knights Templar. The sweetly sensual, naïve and incredibly stubborn goddess inflames his senses, making him yearn for a future he had never even dared to hope for... until now. The problem is, although he can sense her attraction to him, she isn't going to let him into her heart without a fight. The Mists of Avalon (Book 3) Having mastered her skills as a healer and animal whisperer, Alana seeks guidance from Danu in order to help her locate her life-mate. Setting off on the greatest adventure of her life, one that will take her to the one man she can ever truly love, she travels to Glastonbury, England, in order to climb to the top of the Tor before dusk on the first day of March. When Toran comes across a female being assaulted by a man holding a knife, he takes the man out with a laser shot to the head. Pulling the dead man off of the stunned female, he's taken aback by her appearance. In a world filled with black-haired, grey-eyed people, she's like a ray of sunshine. Her golden blond hair and sparkling amber-coloured eyes make her an anomaly... and she insists she's from London! The problem is, London no longer exists. It was destroyed in the 1940's.

Children of Avalon May 27 2022 All three books of the Children of Avalon series in one! Follow the adventures of Scai, Dylan and Bridget straight on through to the end. **Air: Merlin's Chalice** In one day Scai has gone from being considered unusual by the people of her little Welsh village to an outcast fleeing for her life. Left on the church steps as a baby, she knows nothing of her history—or her abilities. Did she really stop the rain just by wishing it to stop? But she is determined to learn all she can. Travelling alone to find her family seems to be the only way she's going to find the answers she seeks. Her journey leads her to the comical old knight Sir Dagonet, who tells her that she is one of a magical people called the Vallen. Together they continue on, joined by the handsome Dylan and the fiery Bridget on a new quest—to find the fabled Merlin's Chalice, said to hold all the power of the entrapped wizard. Together, Scai, Dylan and Bridget discover that they are the long awaited Children of Avalon, destined to save the world from power-hungry Lady Nimuë—unless she kills them first. Along the way, Scai finds magic—both in the wind and air that she can control at will, and in the sweet ache of a first love that she cannot. **Water: Excalibur's Return** Dylan has never been good enough. Neither his foster-brother nor his father have ever thought so. But now, finally, Dylan has a chance to demonstrate what he can do in the most difficult of situations. Dylan is the only descendant of the great Merlin and a member of a magical race known as the Vallen. One of the Children of Avalon, he knows he is strong enough to defeat Lady Nimuë. But when Dylan thinks he can take her on on his own, he is quickly shown otherwise. When not even the love of a beautiful and powerful woman is enough, what will it take for Dylan to prove that he is worthy of taking on the greatest threat Britain has ever faced? **Fire: Nimuë's Destiny** Bridget isn't sure she has what it takes to be a leader, but she's about to find out. The witch hunts are getting worse by the day. But when Lady Nimuë kidnaps Bridget's own family things get personal. Only Bridget, the brilliant Scai and powerful Dylan—the prophesied Children of Avalon—have the power to defeat Lady Nimuë. The question is, does Bridget have the strength of will to lead them through to the end? When Scai's childhood friend, Aron the blacksmith, joins their group, Bridget is suddenly faced with a new challenge—this one from her heart. Will her love for Aron get in the way of defeating Nimuë, or will it give her the confidence she'll need?

Das Schwert von Avalon Jun 15 2021 Der neue Avalon-Bestseller um das fantastische Nebelreich und das berühmteste Schwert der Welt Immer wieder sieht die Hohepriesterin von Avalon ihn in ihren Träumen vor sich: Mikantor, den Prinzen und einzigen Retter des bedrohten Königreichs Azan. Er schmiedet das gewaltige Schwert Excalibur, das Jahrhunderte später auch einem noch mächtigeren Herrscher gute Dienste leisten wird — König Artus in dem Weltbestseller »Die Nebel von Avalon«. Britannien 1200 v. Chr.: Azan wird von Galids Heer niedergebrannt, doch der Priesterin von Avalon gelingt es, den Sohn des Königs zu retten. Sie bringt den kleinen Mikantor in ein Dorf, wo er unter falschem Namen aufwächst und erzählt ihm von seiner Berufung, die Stämme zu einen. Als junger Mann kommt Mikantor seiner Aufgabe nach und begegnet dem Mörder seines Vaters erneut: in seiner Hand das machtvolle Schwert Excalibur und in seinem Herzen Tirilan, die schöne Tochter der Priesterin von Avalon, die sich ebenfalls den Göttern geweiht hat ...

Aster of Avalon Feb 09 2021 In one of the darkest times of Britain's post-Arthurian history, seven priestess sisters left Avalon on a sacred mission to do their part to bring peace and safety to the Goddess worshipping people of their country. Each sister has their own royal target to engage and in their own special way, walk the path The Goddess has laid before them to protect Her people. In this volume, weapons and battle aficionado Aster goes to Hadrian's Wall to intercept King Urien and his sons who are waging war against the brutal Saxon warlord Aethelfrith. Aethelfrith has cut a bloody and burning swath through Britain and even Saxons are shamed by his vicious, brutal attacks. After months of battle, Aster is sent on a very special mission and that is where her real story begins. In an epic story of love, loss, victory, and compromise, Aster embarks on a high adventure to fulfill the task laid upon her. In the process, she meets a vibrant cast of characters who challenge her beliefs about the people she was taught were her enemies. Return to Avalon...you will be glad you did. Praise for The Daughters of Avalon from Amazon readers: Rasbold has a gem here. The book is simple in structure, yet complicated in feel. She makes you fall in love with the characters very quickly, and you can almost feel their pain, smell the flowers, and feel the wind on your face. She draws you in, leaving you wanting for more at the end of the book. I didn't just READ this book, I DEVoured it! Being of Welsh ancestry, and now a long ago Croned Priestess and quite familiar with much of what is involved in the walking of this path, I can easily recommend adding this delightful book to your reading list. You will not be disappointed. If you are a fan of Avalon, Arthur, Excaliber, Merlin..then this is the book for you. A mix of fairy tale, romance, a court intrigue! Ms. Rasbold you made me a happy reader, please keep 'em coming. One of the best books I have read in a long time I highly recommend this book as I was swept away from beginning to end. I can't wait to read the next book in the series!! Katrina Rasbold is a masterful storyteller and I felt like I was in Avalon. If you loved The Mists of Avalon, buy this one. I'm excited to read the next one to see what happens next. Seven Sisters of Avalon Book 1 - The Daughters of Avalon Book 2 - Rose of Avalon Book 3 - Aster of Avalon Book 4 - Coming in late 2016

The Fairy In The Tale Oct 20 2021 Prudence Willowfig, a Music Fairy, needs to earn her wings, but to do that she must complete the New Leaf Challenge. Legends of Avalon Nov 20 2021 While the other nations were at war with the Shadow Wraith, the small nation of Lyonesse was run down and occupied by the Demon Empire led by the Demon Shamaness 'Livni the Cursed' of the fifth Demon clan. Princess 'Elle' Elizabeth Marion de Lyon, a princess of Lyonesse has escaped the capital city, accompanied by her royal guards the Golden Wings Knights. Their mission is to get to Atlantis Academy and warn them of the Demon presence in Lyonesse. The girls' mission however was not easy as their escape was discovered and Shadow Assassins, the most feared assassins of the Demon Empire were sent after them. Many of their comrades fell to their demonic assassination magic. In order to escape certain death for herself and her friends, Princess Elle made the decision to enter the Labyrinth of Daedalus, an ancient dungeon that is as deadly as the Demons that are after them. After endless days of laboring in the punishing maze, the girls are ready to give up when they are lead to the heart of the maze and discover the horror that was hidden there by the ancient race that built the labyrinth. Can Princess Elle and her Golden Wings Knights, already at the edge of their endurance, face the terror at the center of the labyrinth and escape? Will Ray be able to make it in time to help them and will their combined powers be enough against the horrors of the ancient labyrinth and the might of a group of demonic assassins that are feared even in Tartarus?

The MX Book of New Sherlock Holmes Stories - Part VII Mar 01 2020 Part VII - Eliminate the Impossible: 1880-1891 features contributions by: Mark Mower, Jan Edwards, Daniel D. Victor, James Lovegrove, Gayle Lange Puhl, Thomas Fortenberry, Mike Hogan, Thomas A. Turley, Adrian Middleton, James Moffett, Hugh Ashton, Geri Schear, S. Subramanian, John Hall, Jayantika Ganguly, S.F. Bennett, Steven Philip Jones, Jim French, John Linwood Grant, Mike Chinn, Robert V. Stapleton, Charles Veley and Anna Elliott, and Shane Simmons, with a poem by Jacquelynn Bost Morris, and forewords by David Marcum, Lee Child, Rand Lee, Michael Cox, and Melissa Farnham. In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring adventures set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional

collections. Since then, their popularity has only continued to grow, with six volumes already released, and now two more, *Eliminate the Impossible*, featuring tales of Holmes's encounters with seemingly impossible events – ghosts and hauntings, curses and mythical beasts, and more. In "The Sussex Vampire", Holmes tells Watson: "This agency stands flat-footed upon the ground, and there it must remain. The world is big enough for us. No ghosts need apply." In each of the stories presented in this massive two-volume collection, Holmes approaches the varied problems with one of his favorite maxims firmly in place: "... when you have eliminated the impossible whatever remains, however improbable, must be the truth..." But what, exactly, is the truth? 2017 is the 130th anniversary of the publication of *A Study in Scarlet*, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson. What an amazing journey it's been! In addition to the pitifully few sixty tales originally presented in *The Canon*, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! The forty-eight stories in these two companion volumes represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as "the best and wisest... whom I have ever known." All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle.

Avalon: Jan 11 2021 It has been foretold: In the hour of Britain's greatest need, King Arthur will return to rescue his people. In Portugal, the reprobate King Edward the Ninth has died by his own hand. In England, the British monarchy teeters on the edge of total destruction. And in the Scottish Highlands, a mystical emissary named Mr. Embries—better known as "Merlin"—informs a young captain that he is next in line to the throne. For James Arthur Stuart is not the commoner he has always believed himself to be—he is Arthur, the legendary King of Summer, reborn. But the road to England's salvation is dangerous, with powerful enemies waiting in ambush. For Arthur is not the only one who has returned from the mists of legend. And Merlin's magic is not the only sorcery that has survived the centuries. *AVALON* "A rousing postscript to Lawhead's bardic Pendragon Cycle . . . Playing off snappy contemporary derring-do against the powerful shining glimpses of the historical Arthur he created, Lawhead pulls off a genuinely moving parable of good and evil."—Publishers Weekly

Learning to be Human Apr 13 2021 Sometimes living in the shadows is the safest place to be... or so you would think, but you'd be wrong, because living in the shadows is what makes you a victim. As the youngest child living within a dysfunctional family, I thought that anger, rivalry and hatred were the norm, that every family possessed dirty little secrets they hid from the world... like alcohol and drug addiction, mental and physical abuse, depression, schizophrenia and suicide. Surviving those dirty little secrets while running from the school bully was hard, but it was nothing in comparison to coming up on the radar of the neighbourhood paedophile.

Of Sound Mind Aug 18 2021 Jorja always knew she was different. But it wasn't until she discovered her telekinetic ability that she realised just how different she was. Living with her frail mother and an obsessive, cruel and hated aunt, Jorja grapples with the truth of her being. As her story is revealed, other powers are uncovered – not least that she can see other people's souls in the colours that surround them – and we are led into a surprising and shocking world of fantasy, forcing doubt as to the sanity of the heroine. We follow Jorja's life, delving into her loves, hates and fears though cannot help but delight in the woman she becomes, despite the question which hangs mysteriously in the air. It will be up to the reader to decide if Mageia and its diverse inhabitants are indeed real or only the illusionary world created by a disturbed mind, due, not only to grief but also to her persecution by her aunt and the defective qualities of a barbarous doctor. Although the story is resolved, questions will remain.

Avalon: The Warlock Diaries Aug 25 2019 When monsters come to Stonehill Middle School in pursuit of Donovan, a handsome new warlock student, mages Emily, Kara, and Adriane worry that Donovan is trouble, but then they discover that he holds the key to finding Avalon.

Wildfire: The Rise of a Hero May 15 2021 Abigail Turner knew she wanted to be a superhero even before her flame powers developed. She honed her skills, aced community college, and became the sidekick to San Arbor's number one hero, Volcanic. When she is fired for misconduct, however, furthering her career seems impossible. Determined to don her cape at a different superhero company, Abigail knows she must get stronger and accepts a deal from an unlikely source. Cinder, a similarly powered villain who has bested her at every encounter, offers to train her if Abigail owes him a favor: A way out of the city. Falling in love wasn't part of the deal. As the line between good and evil blurs, Abigail must choose between her passion to do good and her love for a villain who is hiding much more behind his mask. *Wildfire* offers an introspective look at the relationships and career complexities within a superhero society and the pursuit of one's identity when the shadows of their past loom over their future.

She finds safe haven in the home of Darth Shadi, scientist, and friend of the enigmatic Coyoteman. With Coyoteman's reluctant help, Joanne and Darth puzzle out a rescue plan for Taine. But in the hands of the powerful Uncle Christ, Taine begins a course of brainwashing that could ultimately turn him against his old benefactor, Coyoteman.

Legends of Avalon Jun 27 2022 This show's leading lady is here for a second season-but it's nothing like the first. Still hunted, still magical, and more torn between relationships than ever, Daphne's in for quite a ride. This season the villains have multiplied, the playing field has changed altogether, and trustworthy friends are harder to come by. Season two is a whole new show-and it isn't ending anytime soon. Turns out, they don't recast leading ladies. So, much to her dismay, Daphne's stuck as the magical squeaky toy being tugged between ancient factions. So much for normalcy-and with her current circumstances-so much for PopTarts. All those dreams of a normal life with her dog and unhealthy snack foods are nothing but smoke vapors now. Legends and stories were supposed to be relegated to TV and books, but now Daphne's living in one of her own. Far from home and out of her depth, this living legend is stuck with but one ally and a whole host of questions. Every move she makes is filled with doubt, her enemies dogging her steps-their goals shrouded in darkness. The mysteries should have ended in season one, but it turns out that the show runners had a few more up their sleeves. Daphne's friends are floundering, searching for ways to help her and dealing with problems of their own-and the puppet master of the dark side is now wandering free. With a self proclaimed screw up leading the charge, a dead body to mourn, and few to trust, this family isn't exactly on the winning side. Yet stubbornness runs in this brood, and they won't give up on each other-now or ever. The year isn't out, and although Daphne's not waved that white flag of defeat just yet, a banner of victory is seeming more and more out of reach. A banner year it is, indeed. *Legends of Avalon* is a clean adult trilogy, with adventure and simmering romance that are neither graphic nor spicy.

Tantra Vidy? Sep 06 2020 This contains two dissertations on (1) Understanding Archaic Astronomy and (2) Parmenides and the Tantric Yoga. of these the first dissertation concerns with the understanding of Archaic Astronomy from the stand-point of a psychologist of perception, trained in Astronomy. The author deals with the psychology of Perception and the seven Lotus-flowers of the Kundalini Yoga-by elucidating the study of Arthur Avalon, giving parallels in other traditions, while presenting a comparative study on its bearing on Astronomy according to Ptolemy. The study throws new light on Parmenides and his doctrine clearing away the mist of misunderstanding in Western Philosophy.

Avalon High: Coronation #2: Homecoming Mar 13 2021 Meg Cabot's magical Arthurian epic continues . . . Manga style! Will's dangerous brother, Marco, has been released from the mental hospital, and it seems as if he's turned over a new leaf. But Ellie isn't sure she trusts him yet, especially when she keeps having creepy nightmares about him every night. Meanwhile, Mr. Morton is still convinced that Ellie's boyfriend, Will, is the reincarnation of King Arthur and that if Ellie doesn't help Will believe this, too, the world is going to end—this Friday. But all this won't stop Ellie from trying to pull off the big dinner party she's arranged to reunite Will with his parents . . . even though it might be a total disaster. When you and your friends are reliving Arthurian legend, you can never catch a break!
