After The Fire Mar 22 2022 It all began with the untimely death of Sol Gunderson's prize billygoat, Bebe. Since then, someone is out to stop anyone from discovering the truth back of the animal's demise, particularly Bill Travis and his daughter Jessica. Was it toxic chemical waste dumped into Boggy Creek back of Gunderson's goat farm? Was it radioactive materials? Now Sol is running around shooting his mouth off like a loose cannon, while someone is drawing a bead on Bill and Jessica. After The Fire is the ninth installment of the action-adventure suspense-thriller The Bill Travis Mystery series.

A Little on the Wild Side Jun 24 2022 "Smart and entertaining." -RT Book Reviews, 4 stars, Call Me Wild A woman who gets what she wants... Bianca Ferrari-ex-supermodel turned successful business woman-seems to have it all: beauty, brains and a career she loves. And she did it all by herself...through sheer force of will and ruthless determination. So when her life is suddenly turned upside down, it's hard for her to admit that going it alone may not be an option... A man who knows what she needs... Sexy, rugged and down-to-earth, Trapper Kincaid has a knack for attracting all kinds of women-mostly the wrong kind. When he finds out that the exhaustingly independent and drop-

dead gorgeous Bianca is in serious need of help, he knows he's the man for the job. But Bianca isn't going to make it easy...

The Hunter and His Mates (Kincaid Pack Book 4) Dec 31 2022 As personal assistant to a powerful alpha of a large pack, there are certain rules Jamie has for himself to make sure he's successful at his job. First, nothing and no one gets to the alpha without his say so. Second, schedules will be enforced for everyone. At all costs. Third, a certain Enforcer with an enticing scent and scarred face is not to be stared at, drooled over, and/or daydreamed about. And fourth, human hunters are never, ever mate material-no matter what their smiles or Southern drawls do to him. But what if his own rules are preventing Jamie from finding something unique and magical and hotter than he could ever imagine?

Because being caught between a grumpy cougar and a dangerous hunter was the last place Jamie thought he should be... but it might just be exactly where he needs to be to find both of his fated mates. The Hunter and His Mates is the fourth book in the bestselling Kincaid Pack series, which is most enjoyable when read in order. This installment is an MMM romance featuring a scentless human trying to make a home in a pack of shifters, an Enforcer with mild PTSD and a possessive streak a mile wide, and the sweet little hawk who adores them both.

Experimental Television, Test Films, Pilots, and Trial Series, 1925 Through 1995 Jul 26 2022 Test films, pilots,

trial series, limited runs, summer tryouts--by whatever name, television networks have produced thousands of experimental shows that never made it into the regular line-up. Some were actually shown, but failed to gain an audience; many others never even made it on the air. This work includes over 3,000 experimental television programs, both aired and unaired, that almost became a series. Each entry includes the name of the show, length, network, air date (if appropriate), a fact-filled plot synopsis, cast, guest stars, producer, director, writer, and music coordinator. Information for this work was gathered primarily by watching the shows, reading years' worth of press releases, and using sources such as TV Guide and Variety to augment the primary research.

Outlaw Road Apr 22 2022 -BOOK TWO IN THE HUNTER KINCAID SERIES- *Ten days before the start of her civil trial for shooting drug smuggler Julian "El Lobo" Garcia, the U.S. Government assigns Border Patrol Agent Hunter Kincaid a quirky new defense attorney fresh from rehab--for an amphetamine addiction, no less. She's also on the outs with her former lover, legendary Texas Sheriff Wayne Rockman, and that's causing problems at work. To top things off, Hunter's brother will be the prosecuting attorney. The last thing she needs is something more on her plate. But when she apprehends and returns to Mexico a remarkable fourteen-year-old orphan named Anda Tumecas, priorities change. Hunter crosses the border into Mexico to check on Anda, and learns the orphan is running for her life. A gang*

of cutthroats are on her trail, intent on killing her before she can talk about the criminal operations she witnessed. Hunter encounters a handsome, charming thief in Mexico named Bobby Mata, who, on a whim, decides to help her find Anda. Hunter returns to Texas and attends her trial, but bad news comes from OJ, and there are bodies involved. Hunter makes a fateful decision and leaves in the middle of the trial, racing to Presidio where she crosses into Mexico to find Anda. As Anda weaves a desperate trail to throw off her pursuers, she leads them - and Hunter - to the most dangerous place on the border. It is a lawless Mexican village of raw adobe buildings and dirt streets, whose residents are Chihuahua's worst criminals and sociopaths. The gun and knife are judge and jury here. It is the place called Outlaw Road.

Inside Gilligan's Island Jul 14 2021 While every new TV series has to face some problems, no show had to overcome greater obstacles than Gilligan's Island. In spite of that, no series has achieved greater success, as measured by the fact that Gilligan's Island has given rise to three TV movies, two animated series, and is the most rerun program in the entire history of television. Now, Sherwood Schwartz, creator, writer, and producer of Gilligan's Island, tells the life story of the show: from the labor pains of scripting, casting, and production to its golden years of afternoon reruns.

Fascinating history that could be known only by the show's creator is enhanced by wonderful photos, sketches, and other illustrations from the author's personal collection, as well as

the guest forewords by all seven "Castaways." An appendix lists plots, writers and directors for every episode. All this behind-the-scenes information makes the book a special treat, not only for fans, but for anyone interested in an inside look at the television industry.

La Woman Oct 17 2021 Hondo Wells dramatically rescues a young woman from a burning vehicle, and a passing news helicopter films it all. As people crowd around and the news crew continues filming, the woman disappears as if by magic. No one can locate her, so Hondo and Ronny take it upon themselves to find her. They discover the woman's name is Jett Sunday, and that the burning vehicle was no accident. Some very bad men are intent on killing her. The more the two friends dig, the more mysterious-and dangerous-things become. The FBI and CIA are suddenly very interested in what Ronny and Hondo are doing, and a black cowboy with lightning quick guns is hard on Jett's trail. An East European with ties to terrorism pays Ronny and Hondo a visit and leaves a not-too-veiled threat: Stop looking for the girl, or else. Looming behind all of them is a terrifying, seven-foot tall behemoth with a Terminator-like focus on finding her. It seems the only people on Jett Sunday's side are Ronny and Hondo, and they know her time is running out-fast.*

Das Ende der Alchemie Apr 30 2020 Während Alchemisten ihrem Ziel, wertlose Materialien in Gold zu verwandeln,

bislang nicht näher gekommen sind, können moderne Banken eine bessere Erfolgsbilanz aufweisen: Gold können sie zwar nicht erschaffen, dafür jedoch neues Geld – und das aus dem Nichts. In dieser "modernen Alchemie" verortet Lord Mervyn King, ehemaliger Gouverneur der britischen Zentralbank, die grundlegenden Probleme des heutigen Kapitalismus, deren Ausmaße in der weltweiten Finanzkrise virulent wurden und bis heute die Weltwirtschaft in ständiger Unsicherheit halten. In "Das Ende der Alchemie" fordert er zu einer Umkehr auf. Statt Banken mit der Möglichkeit zu adeln, neues Geld zu schaffen, müssen endlich wirksame Regularien des Bankensektors in Kraft gesetzt werden. Damit sich eine Krise dieser historischen Dimension nicht wiederholt und die weltweite Wirtschaft sich nachhaltig erholt, braucht es kreative Ideen, die Mervyn King in diesem einmaligen Buch liefert. Mit einem exklusiven Vorwort von Lord Mervyn King für die deutsche Ausgabe.

Sentinel In Elysium Sep 27 2022 It's 1975, two years before the murder of Delores Fogel shocked the Central Texas town of Elysium, setting up the chain of events that would lead to the post-millennium conclusion to the mystery in Murder In Elysium. Michael Lee "Mucho Love" Harper, Elysium's Chief of Police, has a double-murder on his hands, and this is the strangest killing of his career. The Childresses were wealthy and they had their fingers in every slice of local pie. They were, however, hermits, hoarders, and the owners of a

chain of funeral parlors that stretched from the Gulf Coast to El Paso. Mucho Love, Elysium's sentinel, must delve deeply into the dark secrets of his own town in order to catch the killer and hold onto his job—a monumental task, because the powers-that-be want anything but a resolution.

Murder in Elysium Nov 17 2021 It's murder in paradise. Who killed local debutante Delores Fogel in the sleepy, Central Texas town of Elysium? Benjamin LeFren was exonerated for the crime and released from jail thirty years after the fact, thanks in part to Shane Robeling, former FBI Agent and now Elysium's Chief of Police. But now Shane is not so sure of LeFren's innocence. When LeFren shows up in Elysium, Shane must now guard the supposed monster from the townspeople he has sworn to protect, and the only way to do that is to hire him as his ranch foreman, thus—in theory—keeping him out of harm's way. But then the psychological warfare begins. As the local death toll begins to mount, Shane must discover whether it is LeFren carrying out the killings, an old accomplice, or a sinister conspiracy thirty years dead and gone.

ACCOLADES FOR MURDER IN ELYSIUM: “The small Texas town of Elysium isn't a happy place. Shane Robeling, the chief of police, has had a hand in the release of a man convicted of murder nearly

thirty years ago. When the man returns to town, resentments flare, old secrets are exposed, and trouble follows. Lots of trouble. The pace is fast, the characters could be your Texas neighbors, and George Wier has another winner. Check it out.”—Bill Crider, author of the Sheriff Dan Rhodes Mysteries. “George Wier has done it again! Murder in Elysium is the multi-layered, dark tale of a decades old murder in this small, picturesque Texas town. Police Chief Shane Robeling still searches for the killer, and his association with Elysium is...complicated. Razor sharp, distinctive characters and a wicked, twisting storyline; these are Wier's forte, and he is at the top of his game in this tale of murder, secrets, and lies in a town whose surface beauty hides both violence and depravity underneath.”—Billy Kring, author of the Hunter Kincaid mystery series. “There's a reason George Wier ranks among my favorite authors. The man is a first class storyteller who never fails to entertain me with his captivating tales of Texas intrigue and mystery. He's done it again with Murder in Elysium, the story of an old murder in a small town where secrets and betrayal lurk just below the calm surface, and you never know what skeletons hang in the closets of the folks you nod to on Main Street or sit next to at the counter of the diner. Don't start this book until you have time to read it all the way through because like all of Wier's books, you won't be able to put it down!”—Nick Russell, Author of the Big Lake mystery series. “George Wier writes the kind of mysteries that make

you skip the chores or forget what's on TV, because you just want to read one more chapter. Then another. Add Murder in Elysium to that list. If you haven't discovered Wier yet, you're in luck, because he has more than a dozen novels waiting to keep you entertained.”—Ben Rehder, Author of the Blanco County mystery series. “The rot that lies beneath the veneer of small-town friendliness is George Wier's fodder in his masterful Murder In Elysium...[It] will keep you guessing until the final chilling reveal.”—Robert A. Taylor, Author of Warp and The Lascaux Nightmare.

Geld, sondern sich selbst auch einen Platz an ihrer Seite sichern will, machen die beiden sich ans Werk

*The Most Dangerous Cinema Feb 18 2022 People hunting people for sport—an idea both shocking and fascinating. In 1924 Richard Connell published a short story that introduced this concept to the world, where it has remained ever since—as evidenced by the many big- and small-screen adaptations and inspirations. Since its publication, Connell’s award-winning “The Most Dangerous Game” has been continuously anthologized and studied in classrooms throughout America. Raising questions about the nature of violence and cruelty, and the ethics of hunting for sport, the thrilling story spawned a new cinematic subgenre, beginning with RKO’s 1932 production of *The Most Dangerous Game*, and continuing right up to today. This book examines in-depth all the cinematic adaptations of the iconic short story. Each film chapter has a synopsis, a “How Dangerous Is It?” critique, an overall analysis, a production history, and credits. Five additional chapters address direct to video, television, game shows, and almost “dangerous” productions. Photographs, extensive notes, bibliography and index are included.*

Tonton Oct 29 2022 Hunter Kincaid's South Florida vacation is cut short when she and friends John Quick and Randall Ishtee barely avoid being rammed by a rusty

freighter filled with undocumented Haitians. Hunter sees the ship's Captain leave the vessel and she gives chase. He stops before getting in a car and looks at her. His eyes are like bullet holes. She is assigned on detail to Florida to investigate. Things quickly go wrong. The first witness dies in front of Hunter, and Haitians say it is a vodou curse. The trail grows more eerie as other mutilated bodies are found, murdered in vodou rituals. John and Randall join in the investigation. Something else is whispered in Little Haiti: the disbanded Haitian police, the dreaded Tonton Macoute, are in Florida, and are involved. A looming hurricane approaches while Hunter, John, and Randall are enmeshed in a series of violent events that swirl over them like the powerful winds now coming ashore, and they soon find themselves fighting for survival in a world of storms, black magic, and the darkest places in the human heart.

Baca May 24 2022 When L.A. Private Investigator Ronny Baca takes the case to find A-List actor Bob Landman, he thinks, How hard can it be? The answer is: Very. Ronny and his partner, Hondo Wells immediately have confrontations with the Russian Mafia. An odd trail of clues leads them to a famous Russian painter, undocumented aliens, Indian caves, and golden artifacts, all of which get them closer to Landman and deeper into trouble. Bodies start appearing and the pressure increases, but they push ahead because Ronny knows that Landman's life balances on the edge of a razor - and time is running out.

name and help the FBI take down a rogue agent, or go to prison and lose everything he holds dear. With only Agent Noah Armstrong as his back-up and forced to keep Lucy in the dark, Sean steps back into his old world. But the longer he's undercover, the more dangerous the game becomes. More than Sean's future with Lucy is at stake—so is his life. Lucy can't imagine Sean would keep secrets from her—until an FBI agent casts doubt about who he really is...and who he used to be. Why did Sean quit his job with his brother and move to New York? Why hasn't he told her anything about his new job? With more questions than answers, Lucy doesn't know who to believe or who she can trust. All she knows is that Sean is in grave danger, and this time, it's personal.

Hunter's Promise Jun 12 2021 “Hunter De La Croix made only one promise she couldn't keep—and it was a damn good thing, too.” Rick Kincaid Everything in Rick Kincaid's life made sense before he knew there were immortals roaming the Earth, kicking ass and taking numbers. It was enough to give a man a complex, if he worried about such things. Kincaid didn't. He was too worried about one gorgeous witch and how he'd cure her of all her problems so he could score some fun between the sheets. Only her troubles were enormous, like betraying her friends to Satan—literally. To get what he wanted—Hunter—he'd have to clear her name, find his men and find the answer to the changeling dilemma.*

Only then could he earn his way to into her arms. Hunter didn't know what was worse, waking up to her face half scarred and her left eye damaged or finding out no one but one smart-mouthed mortal would work with her. Partnering up with Kincaid was difficult, even more so because the sexy ex-military didn't seem to mind that her face was horrifying or that she'd done terrible things. And the longer she worked with him, the harder it was to ignore the fire burning between them. Not even the devil on her trail, a crazy she-wolf or insane, red-eyed monsters chasing them seemed to deter him from his goal—her. Maybe, for him, she could take a chance and trust him to keep his promise.
