An in-depth study of the history and theology of the Eucharist as primarily a celebration of forgiveness rather than as a tool for exclusion and the ethical consequences that arise from such a study. With rare and never-before-published photographs, personal letters, and documents, this groundbreaking book reveals the style secrets that helped make Grant a fashion icon. Milk cans, milk churns, or milk pails have been used for centuries which is why they are some of the most photographed of all farmyard objects. Here, for the first time, the diversity in size, shape and design of milk cans is presented in a comprehensive and full-color publication. The iconic shape of the typical milk can has inspired toymakers, artists, playwrights, novelty manufactures, and sports minded people. Milk cans often become family treasures handed down through the generations; insights about these and other social aspects of the milk can are included. In some countries milk tankers have replaced milk cans while bright shiny plastic milk cans appear to be replacing steel cans in others. This entire book is dedicated to the celebration of milk cans and their history, use, and design. Explores initiation rites, wedding feasts, harvest celebrations, religious rituals, and many other customs used around the world to mark all kinds of special occasions. Suggested level: intermediate, junior secondary. Are you seeking for the perfect gift for your favorite person? Look no more. Traces the background of the famous classical guitarist, assesses his talents as a performer and arranger, and provides detailed information on his concerts and recordings "Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico. As a one-year appointment at the Albuquerque campus evolved into a forty-year career, Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history's most enduring and elusive traits. The connections and consequences along the way forged a truly exceptional life and career. A master of the United States history survey, Szasz enthralled and inspired tens of thousands of students with energy, enthusiasm, provocative insights, and good will. Ambitious undergraduates regularly vied with graduate students for coveted seats in his upper level courses, where he offered insights into World War II, American religious history, and popular culture. Szasz's interests, he insisted, were the "ideas of the people...and how they shift over time." In an era when historical scholarship became increasingly specialized, he pursued an eclectic array of research interests and challenged his doctoral students to do the same. The ten selections of Szasz's writings that are the primary content of this volume balance insights into history's great moments with attention to events and details often overlooked by more conventional historians. Szasz's crisp, accessible prose reveals both the unique and universal in the human experience and offers heartfelt glimpses into humanity's paradoxical promises and perils."--Back cover Forty-four poems examine the depth and complexities of married love and shares a wife's feelings for her husband Here are some of the reasons to be proud to be Greek: • Alexander the Greet, greatest conqueror of them all • Olympic games, past and present • Olympia Dukakis, George Stephanopolous, and Yanni • Birth of democracy, cradle of western civilization • Aesop's wise and winning fables • Warm souvlaki, cold retsina • And every Greek diner you ever ate in! "We are a people who matter." Inspired by President Barack Obama's Of Thee I Sing, Go Show the World is a tribute to historic and modern-day Indigenous heroes, featuring important figures such as Tecumseh, Sacagawea and former NASA astronaut John Herrington. Celebrating the stories of Indigenous people throughout time, Wab Kinew has created a powerful rap song, the lyrics of which are the basis for the text in this beautiful picture book, illustrated by the acclaimed Joe Morse. Including figures such as Crazy Horse, Net-no-kwa, former NASA astronaut John Herrington and Canadian NHL goalie

Carey Price, *Go Show the World* showcases a diverse group of Indigenous people in the US and Canada, both the more well known and the not-so-widely recognized. Individually, their stories, though briefly touched on, are inspiring; collectively, they empower the reader with this message: "We are people who matter, yes, it's true; now let's show the world what people who matter can do." *Recipes Remembered* gives voice to the remarkable stories and cherished recipes of the Holocaust community. The first professionally written kosher cookbook of its kind is a moving compilation of food memories, stories about food and families, and recipes from Holocaust survivors from Poland, Austria, Germany, Hungary, Czechoslovakia, Romania, Russia, Ukraine, and Greece. Sohee helps her family prepare for the Lunar New Year celebration. An entertaining story which is meant to empower children, of all ages, to celebrate their uniqueness in being a "One and Only." Hopefully, this book will help open doors of dialogue between caregivers and children regarding the reasons for having or adopting only one child and to highlight the positive results of that decision. This special story was produced in a black and white format as an open canvas for the reader to personalize in his or her own way. We also want readers to "see" themselves in the story so the "ME" and "MY FAMILY" pages allow for each person to illustrate the characters in their own real-life stories. Visit us at *Out of the Ordinary Books*. An official BBC book that celebrates the life of Queen Elizabeth II through photographs, some rarely seen, drawn largely from archives of the BBC. The longest-reigning monarch in British history, Queen Elizabeth II has been at the centre of British life for almost a century. She's led a very public life, seen by millions through photographs, film and television, from the time of her birth in 1926 to the final years of her reign. The embodiment of Britain, she has been a constant, knowledgeable presence in our politics and culture since she came to the throne in 1952. This book celebrates the life of Queen Elizabeth II through photographs and still images, drawn largely from the archives of the BBC, an organisation that received its royal charter only one year after she was born. From her earliest days and first moments of public life, to her Platinum Jubilee and the weddings of her children and grandchildren, this is a lavish tribute to the most public of monarchs, an iconic figure in the hearts and minds of millions throughout the world. Celebrates the history, traditions, and symbols of Yule, offering advice on gifting, feasting, and commemorating the Yuletide season around the world. Experienced mother and grandmother Schaeffer shares her unique, imaginative insights into loving children in a biblical, creative manner. Her advice, highlighted with anecdotes from her life, encourages parents to reflect the Heavenly Father's kindness and love. *Entertainment Weekly* celebrates the rich legacy of Black film and filmmakers in more than 100 years of movies. From Oscar Micheaux, a self-made auteur who in 1919 directed the first feature-length movie with an all-Black cast, to Ava Duvernay, Jordan Peele, Regina King and more new artists who are defining the future of Black movie-making. From first African-American Oscar winner Hattie McDaniel to legends like Lena Horne, Dorothy Dandridge, Harry Belafonte and Sidney Poitier to the stars of today: Denzel Washington, Viola Davis, Michael B. Jordan, Mahershala Ali, Tiffany Haddish and many more. Includes interviews with Spike Lee, Radha Black, Peter Ramsey (director *Spiderman: Into the Spider-Verse*) and others. A must for all movie lovers.
